# Trust In Me

## Harry Nilsson

Trust in me in all you do
Have the faith I have in you
Love will see us through
If only you trust in me
Why don't you, you trust me?
Come to me when things go wrong
Cling to me daddy, oh yeah, and I'll be strong
We can get along, we can get along
Oh if only you trust in me
While there's a moon, a moon up high
While there are birds, birds to fly
While there is you, a you and I
I can be sure that I love you
Stand beside me, stand beside me all the while
Come on daddy face the future
Why don't you smile?
Trust in me and I'll be worthy of you, oh yeah, yeah
Why don't you, you trust in me in all you do?
And have the faith that I have in you
Oh and love will see us through
If only you trust in me yeah, yeah, yeah
Why don't you, you come to me?
When things go wrong cling to me
And, and I'll be strong, we can get along
We can get along
If only you trust in me, yeah, yeah
