

# Someone to You

## BANNERS

I don't wanna die or fade away  
I just wanna be someone  
I just wanna be someone  
Dive and disappear without a trace  
I just wanna be someone  
Well, doesn't everyone?  
And if you feel the great dividing  
I wanna be the one you're guiding  
'Cause I believe that you could lead the way I just wanna be somebody to someone, oh  
I wanna be somebody to someone, oh  
I never had nobody and no road home  
I wanna be somebody to someone  
And if the Sun starts to set and the sky goes cold  
Then if the clouds get heavy and start to fall  
I really need somebody to call my own  
I wanna be somebody to someone  
Someone to you  
Someone to you  
Someone to you  
Someone to you I don't even need to change the world  
I'll make the moon shine just for your view  
I'll make the starlight circle the room  
And if you feel like night is falling  
I wanna be the one you're calling  
'Cause I believe that you could lead the way I just wanna be somebody to someone, oh  
I wanna be somebody to someone, oh  
I never had nobody and no road home  
I wanna be somebody to someone  
And if the Sun starts to set and the sky goes cold  
Then if the clouds get heavy and start to fall  
I really need somebody to call my own  
I wanna be somebody to someone  
Someone to you  
Someone to you  
Someone to you  
Someone to you The kingdom come, the rise, the fall  
The setting sun above it all  
I just wanna be somebody to you I just wanna be somebody to someone, oh  
I wanna be somebody to someone, oh

I never had nobody and no road home  
I wanna be somebody to someone And if the Sun starts to set and the sky goes cold  
Then if the clouds get heavy and start to fall  
I really need somebody to call my own  
I wanna be somebody to someone  
Someone to you  
Someone to you  
Someone to you  
Someone to you  
Someone to you
