Lumna

RÃ¯cÃ¯nn

Children create a world of stars
Create a world of stars
Children create a world of stars
Children create a world of stars
It causes love keep it to your soul
Before your being don't want an advent anymore
Before your dreams can't live anymore
Interior, interior in soro interior
I close my eyes and feel the wind
It's so high there, don't let me down
I close my eyes and feel the wind
It's so high there, don't let me down
Taili on tili
Donta ur fiur, donta ur don
Donta ur fiur, donta ur don
