

Restless Heart

Starsailor

She stayed till the morning
Left with her soul intact
Something was forming
I asked her if she'd come back
My restless heart beats like a wanton drum
Tear me apart, say I'm your only one
She stayed till the morning
Left with her soul intact
Something was forming
I asked her if she'd come back
My restless heart beats like a wanton drum
Take this to heart, say I'm your only one
Say I'm your only one
Say I'm your only one
Say I'm your heart.
