

# **(Too Late) The Smart Bomb**

**Graham Parker**

Too late, the smart bomb  
I've got to beat the machine Too late, the smart bomb  
(Too late, the smart bomb) Too late, the smart bomb  
Too late, the smart bomb  
Too late, the smart bomb Mutants, laser [Incomprehensible]  
Mutants, laser [Incomprehensible]  
Mutants, laser [Incomprehensible]
