

# Chained (Single Version)

Marvin Gaye

Seems just yesterday, you were in my arms  
And in a special way you touched my heart with all your charms  
And now you're gone (now you're gone)  
Oh, and I find myself (I find myself)  
Honey, I'm all alone (I'm all alone)  
And there's no love left (there's no love left) Hey, don't know why I failed  
For you I've always cared  
I did all I know to win your love and make it so  
Always stay but you turned away  
Honey, what could I say?  
How could you, how could you, how could you do me this way? 'Cause I'm chained  
To your love and affection  
'Cause I'm chained  
'Cause your love is my only direction Oh, uh-uh-uh  
I, I, I, I've got to make it right  
Somehow it all went wrong  
Somewhere down the line  
The love I lost, I've got to find  
(Whoah, and it won't be long)  
Gonna make it right, baby (gonna make it right, baby)  
And carry you tenderly back home 'Cause I'm chained  
To your love and affection  
Girl, I'm chained  
Yeah, when I hear your name  
I tremble, how I tremble, yeah (can't, can't, can't help loving you)  
Oh, you know, oh, you know (can't, can't, help yourself) Baby, oh, baby  
Oh, now I admit that I  
Haven't been the perfect guy  
For a girl as sweet as you but my heart and soul cries out to you (One more chance, that's all I need)  
I'm gonna make it right, baby (gonna make it right, baby)  
If you'll just stay, stay with me 'Cause I'm chained, chained  
Oh, I'm chained  
To your love and affection  
'Cause I'm chained, chained
