

Come Up

Yo Gotti

She looking for a come up
All she really want is my millions
Man she looking for a come up
You don't think I know but I know
Man she looking for a come up
She looking for a come up
She looking for a come up

She looking for a come up She work at Starlet she get money 'cause she bar-tend
Give these hoes they trophies these hoes winning
Get more money than niggas they riding Bentley's
Looking for a come up and done it
Memorial Weekend in Vegas she made a 100
Magic City Mondays or DOA
Catch me down at Follie's when I'm in the A
She stayin' on the beach, Fountain Club
She work at KOD the Office too

And this her art of hustle, so you can't knock her hustle 'Cause she looking for a come up
All she really want is my millions
Man she looking for a come up
You don't think I know but I know
Man she looking for a come up
She looking for a come up
She looking for a come up

Man she looking for a come up She a stripper, exotic dancer
Get that money she got her bands up
She go to college, a 4 year plan bruh
She raise her son without a man bruh
She on the come up she independent
You niggas losing these bitches winning
You niggas boring she riding foreign
She stacking money for her first born
Fuck a broke nigga it's downgrade for real
Real niggas will motivate you for real
She just looking for a come up
So that money she gon' run up
