Annihilation

A Perfect Circle

From dehumanization to arms,
production for the benefit of the nation
or it's destruction?Power is power
the law of the land,
those living for death
will die by their own hand.life's no ordeal
if you come to terms.
Reject the system
dictating the normsFrom dehumanization to arms,
production to hasten the nation
towards it's destruction.Power is power
the law of the land,
those living for death
will die by their own hand.life's no ordeal
if you come to terms.

those living for death
will die by their own hand.life's no ordeal
if you come to terms.
reject the system
dictating the normsFrom dehumanization to arms, production
to hasten this nation
towards it's destructionit's your choice
your choice
your choice
your choice:
peace, or annihilation?
