

# Three Of A Perfect Pair ( Live In Argentina)

[Adrian Belew](#)

She is susceptible  
He is impossible  
They have their cross to share  
Three of a perfect pairHe has his contradicting views  
She has her cyclothymic moods  
They make a study in despair  
Three of a perfect pairOne, one too many  
Schizophrenic tendencies  
Keeps it complicated  
Keeps it aggravated  
And full of this hopelessness  
Oh, what a perfect mess
