

Dead Wrong

Angela Predhomme

Dead Wrong

(Verse 1)

You shoot your words out recklessly
taking sloppy aim at me
And now I got you blacklisted
Iâ€™ll stay just beyond your reach
Your ways, they just ainâ€™t right and
If you think Iâ€™ll let it slide

(Chorus)

Youâ€™re dead wrong
Youâ€™re dead wrong
If you think that just rolls off
Youâ€™re dead wrong
Youâ€™re dead wrong
Now, youâ€™re gonna see my claws
Youâ€™re dead wrong

(Verse 2)

Iâ€™ve always been a spiritual girl
a Jesus wanna-be
Forgiveness sounds endearing
But youâ€™d just walk all over me
You might think Iâ€™m sweet as pie but
If you think Iâ€™ll let it slide

(repeat chorus)

(Bridge)

Truth is I feel for you
Love is clear through the roof
Teeming with sunshine most days
Please take care, no more blood
All thatâ€™s here, donâ€™t mess up
Youâ€™ll see Iâ€™m worth your hardest try

(Instr. section)

(Verse 3)

I let you know straight up how I feel
My best diplomacy
But then you snap back nasty and mean
My side you just don't see
You're full of all that pride and
When you won't apologize,

(Chorus)

You're dead wrong
You're dead wrong
That stuff don't just roll off
You're dead wrong
You're dead wrong
If you think I'm gonna take that for long
You're dead wrong
