

Miss You Nights

Cliff Richard

I've had many times
I can tell you
Times when innocence I'd trade for company
And children saw me crying
I thought I'd had my share of that
But these miss you nights
Are the longestMidnight diamonds
Stud my heaven
Southward burning
Lie the jewels that eye my place
And the warm winds
That embrace me
Just as surely kissed your face
Yeah these miss you nights
Are the longestHow i miss you
I'm not likely to tell
I'm a man and cold day light
Buys the pride I'd rather sell
All my secrets
Are wasted affair
You know them wellThinking of my going
How to cut the thread
And leave it all behind
Looking windward for my compass
I take each day as it arrives
But these miss you nights
Are the longest
