Blockheads

Ian Dury

You must have seen parties of Blockheads
With blotched and lagered skin
Blockheads with food particles in their teeth
What a horrible state they're inThey've got womanly breasts under pale mauve vests
Shoes like dead pigs' noses
Cornflake packet jacket, catalogue trousers
A mouth what never closesYou must have seen Blockheads in raucous teams
Dressed up after work
Who screw their poor old Eileens
Get sloshed and go berserkRotary accessory watches
Hire-purchase signet rings
A beauty to the bully boys
No lonely vestige clingsWhy bother at all about Blockheads?
Why shouldn't they do as they please?
You know if it came to a brainy game
You could baffle a Blockhead with easeHow would you like one puffing and blowing in your ear-hole?
Or pissing in your swimming pool?Bigger brained Blockheads often acquire
Black and orange cars
Premature ejaculation drivers
Their soft-top's got roll-bars'Fill her up,' they say to Blockheads
'Go on, stick it where it hurts'
Their shapeless haircuts don't enhance
Their ghastly patterned shirtsWhy bother at all about Blockheads?
Superior as you are
You're thoughtful and kind with a well-stocked mind
A Blockhead can't think very farImagine finding one in your laundry basket
Banging nails in your big black dogWhy bother at all about Blockheads?
Why should you care what they do?
'Cause after all is said and done
You're a Blockhead tooBlockheads
Blockheads
Blockheads
(oi oi)
Blockheads
(oi, oi)...
