

# They Just Got Married

**Randy Newman**

Here's an old, old story  
'Bout a man and a woman  
Gone off to California  
'Cause they just got married  
All their friends in Boston  
Are so very happy  
They're dancing in the doorways  
'Cause their friends got married  
He gets a job  
Working in a car wash up in Santa Cruz  
She gets a job  
Teaching at a nursery school  
Oh, they're so nice  
What's gonna happen to 'em?  
Soon they have a little white-haired baby  
Looks just like his daddy  
And they're all real happy  
A couple of year go by  
She's going to see the doctor  
It's just a regular checkup (oh no)  
Plus she thinks she might be pregnant  
Anyway, she dies  
And he moves down to Los Angeles  
Meets a foolish girl with lots of money  
Now they're getting married
