

Party Shaker (feat. Nicco) - Video Edit

R.I.O.

Yeah, the party shaker
Wake up, wake up
People getting on
gonna rock your body
Stand up, stand up
We're moving all the way to the top
We flying high, so high
To the sky
And we lead any dance floor
Right tonight
We will blow this club away From Rio to Jamaica
We are the party shaker
So welcome everybody
Let's party tonight
We'll sip until we're wasted
They call us troublemakers
But we just like to party
And party tonight From Rio to Jamaica
We are the party shaker
So welcome everybody
Let's party tonight
We'll sip until we're wasted
They call us troublemakers
But we just like to party
And party tonight We just like to party
And party tonight All right, all right
Love is in the air
All of the girls get naughty
Tonight's the night
We blow this disco lights
We flying high, so high
To the sky
Make it over the rainbow
Right tonight From Rio to Jamaica
We are the party shaker
So welcome everybody
Let's party tonight
We'll sip until we're wasted
They call us troublemakers

But we just like to party
And party tonight So if you wanna dance
The party never ends
So people put your hands up
Your ass shake
Your body rock in dance
Let's get ready to the party tonight Let's make that party...
Everyone do what wants
So ?
If you want one more
You just know on the door
Everybody get your ass up on the floor From Rio to Jamaica
We are the party shaker
So welcome everybody
Let's party tonight
We'll sip until we're wasted
They call us troublemakers
But we just like to party
And party tonight All of my people
From Rio to Jamaica
