

# Back to Me Without You

## The Band Perry

I wanna wake where I was born and breathe the old air in  
I need a haunt from a ghost that I knew way back then  
Oh I hope they left the light on  
I want someone who knows me just to say my name  
To tell me though things are different now somehow I'm still the same  
Oh I can almost hear them calling I don't know if I'll be back again  
It turns out they were right again  
(Get back to what you know)(Get back to what you do)  
I gotta get back to me, ooh  
If it's true home is where the heart is  
I guess now I'm homeless  
(Get back to what you know)(Get back to what you do)  
I gotta get back to me without you For two years I've lived my life way out on a limb  
I put my faith in you not knowing you would break in the end  
Oh I hate feeling fallen I don't know if I'll be back again  
It turns out they were right again  
(Get back to what you know) (Get back to what you do)  
Gotta get back to me, ooh  
If it's true home is where the heart is  
I guess now I'm homeless  
(Get back to what you know)(Get back to what you do)  
Gotta get back to me without you I added rain to your ocean  
What did it do, it meant nothing to you  
You made grief my chief emotion  
Why'd you have to do what you thought you had to do Get back to what know I don't know if I'll be back again  
Turns out they were right again  
(Get back to what you know)(Get back to what you do)  
Gotta get back to me, ooh  
If it's true home is where the heart is  
Oh I guess now I'm homeless  
(Get back to what you know)(Get back to what you do)  
Gotta get back to me without you The slow death of a slow dance  
The tailspin of a romance  
Gotta get back and breathe the old air in
