

Someone to Hold

112

Sometimes I stare at the bed, knowing that no one's there

 Somethin' is tellin' me that you feel the way I do

 I dream of you all the time, wishin' that you were mine

I'm feelin' so empty hopin' you'll think of me, I need ya here tonightIf I'm all alone and you're all alone

 Ain't nothin' wrong havin' someone to hold

 Ooh, your tender touch, it means so much

'Cause it feels so right havin' someone to holdIt's very plain to see, I want you next to me

 Give me your hand and then I'll try to understand

 Girl, I love you so, I can't let you go

'Cause ain't nothin' wrong havin' someone to holdEvery now and then I get to wonderin'

 Are you with someone else or could you be by yourself

 I turn on the TV, it's a picture of you and me

 And I'm goin' crazy 'cause I miss my baby

I want you here tonight, tonightIf I'm all alone and you're all alone

 Ain't nothin' wrong havin' someone to hold

 Ooh, your tender touch, it means so much

'Cause it feels so right havin' someone to holdIt's very plain to see, I want you next to me

 Give me your hand and then I'll try to understand

 Girl, I love you so, I can't let you go

'Cause ain't nothin' wrong havin' someone to holdBaby, I love you so and everything that you have done for me

 No one has ever done before and I'll never let you go

 Baby, you mean the world to me and baby, the way you make me feel

 Whenever I'm alone with you is irreplaceableIf I'm all alone and you're all alone

 Ain't nothin' wrong havin' someone to hold

 Ooh, your tender touch, it means so much

'Cause it feels so right havin' someone to holdIt's very plain to see, I want you next to me

 Give me your hand and then I'll try to understand

 Girl, I love you so, I can't let you go

'Cause ain't nothin' wrong havin' someone to holdIf I'm all alone and you're all alone

 Ain't nothin' wrong havin' someone to hold

 Ooh, your tender touch, it means so much

'Cause it feels so right havin' someone to holdIt's very plain to see, I want you next to me

 Give me your hand and then I'll try to understand

 Girl, I love you so, I can't let you go

'Cause ain't nothin' wrong havin' someone to holdIf I'm all alone and you're all alone

 Ain't nothin' wrong havin' someone to hold

 Ooh, your tender touch, it means so much

'Cause it feels so right havin' someone to hold
