

# I Surrender

## Rhett Walker Band

All these miles  
All the pain  
The million times I lost my way  
A guilty past I've held onto  
I lay them down  
I run to you I surrender everything I am  
I surrender my heart into your hands  
My hope, my Lord  
My life is yours  
I surrender  
I surrender  
All my dreams  
All my doubts  
The fear that fights to drown you out  
Oh, take it all to the ocean floor  
Yeah, who I was I am no more I surrender everything I am  
I surrender my heart into your hands  
My hope, my Lord  
My life is yours  
I surrender  
I surrender I'm not my own  
Bought at a price  
By the King of Kings  
Who gave His life  
To break my every chain  
And set this captive free  
Oh, Jesus all of me  
I surrender oh, everything I am  
I surrender my heart into your hands  
My hope, my Lord  
My life is yours  
I surrender  
Oh, I surrender  
Lord, I surrender  
Oh, I surrender
