

# Act Naturally

## Charley Pride

They're a gonna put me in the movies they're gonna make a big star out of me  
We'll make a film about a man who's sad and lonely and all I gotta do is act naturally  
Well I'll bet you I'm a gonna be a big star might win an Oscar you can never tell  
The movies are gonna make me a big star cause I can play the part so well  
I hope you'll come to see me in the movies and I know that you will plainly see  
The biggest fool that's ever hit the big time and all I gotta do is act naturally  
[ guitar ]  
We'll make a scene about a man that's sad and lonely  
And begging down upon his bended knee  
I'll play the part that I won't need rehearsing and all I gotta do is act naturally  
Well I'll bet you I'm a gonna be a big star...  
And all I gotta do is act naturally
