

Disappear

[Mazzy Star](#)

Just because you call my name
I cannot hear it's not the same
Can't close my eyes and knock me back
All the things that I had to have And now you kiss, a fallen kiss
I can't believe what I had to say
All the things you never say
I'll never be what you want me to be Now I can't disappear
Now I can't Close your eyes and look at me
I can't believe what I cannot see
Everything is like you say
Change your mind and you'll have to forgive
