

# Jonah

Paul Simon

Half an hour would change your strings and tuned up  
Sizing the room up, checkin' the bar  
Local girl's unspoken conversation  
Misinformation plays guitar  
They say, "Jonah, he was swallowed by a whale"  
But I say, "There's no truth to that tale"  
I know Jonah, he was swallowed by a song  
No one gives their dreams away too lightly  
They hold them tightly warm against cold  
One more year of traveling 'round this circuit

Then you can work it into gold  
They say, "Jonah, he was swallowed by a whale", hmm  
But I say, "There's no truth to that tale"  
I know Jonah, he was swallowed by a song  
Here's to all the boys who came along  
Carrying soft guitars in cardboard cases all night long  
An' do you wonder where those boys have gone?  
Do you wonder where those boys have gone?
