Seen him walk outside with his dickies on
Juiced up hair cut with a hoodie on (whole time)
Thinking I was checkin out the kid when the whole time

Seen him pull up on the side hoped up out his ride (real slow)
Then he caught my eye classy type of guy (had to know)
Where he got his kicks coped his fit (had a certian)
And I had to see who it had to be (had his style down to a T)
That's when I saw those jeans that he had on it was crazy
But amazing that his style was so blazin[Chorus:]

I got a fetiish for you baby cotton candy craving, baby c, and ice cream
Colors just like jelly fiends Fetiish for you baby dress so amazing new j's blazin
Fresh clean lancing[Verse 2:]

Seen him walk up out the Chi hoodie was so high (can't believe)
Thats some one guy that someone can prawl (Hood hawter then me)
