

# Don't Cry

Kevin Rudolf

I got a letter in the mail today  
They said they're gonna take it all the way  
I gotta get up there and make it right  
I will be sleepin' in the streets tonight And you don't have to wait up  
I'll be everything you dream  
And, baby, when you wake up  
We'll be right back on our feet So, baby, don't cry, I know, I know  
That it hurts you whenever I go  
So don't think that I ran away  
'Cause I'm comin' back for you one day  
I'm comin' back for you one day  
I'm comin' back for you one day I was leavin' from the local bar  
I turned the corner and crashed my car  
I told you I was at the grocery store  
I guess you don't love me no more But I'm tryna find my way home  
Searching for you aimlessly  
There's nothin' left to say so  
You can put the blame on me Oh, baby, don't cry, I know, I know  
That it hurts you whenever I go  
So don't think that I ran away  
'Cause I'm comin' back for you one day  
I'm comin' back for you one day  
I'm comin' back for you one day When it falls apart, I'll be there  
When the skies get dark, no, don't be scared  
'Cause it's you and I  
Till the day we die  
I just want you to know So, baby, don't cry, I know, I know  
That it hurts you whenever I go  
So don't think that I ran away  
'Cause I'm comin' back for you some day I'm comin' back for you some day  
I'm comin' back for you some day  
I'm comin' back for you some day  
I'm comin' back for you some day
