

# Darlin'

## Arno Cost & Norman Doray

Darlin'  
Lost in your eyes  
You're always on my mind  
Let's have a good time  
Baby  
I don't want no more lies  
Stop crossing the line  
Let's try one more time  
Darlin'  
Nothing to lose  
It's our moment to shine  
Let's have a good time  
Baby  
I don't want no more lies  
Stop crossing the line  
Let's try one more time

Darlin'  
Lost in your eyes  
You're always on my mind  
Let's have a good time  
Baby  
I don't want no more lies  
Stop crossing the line  
Let's try one more time  
Darlin'  
Nothing to lose  
It's our moment to shine  
Let's have a good time  
Baby  
I don't want no more lies  
Stop crossing the line  
Let's try one more time  
One more time  
One more time

Darlin'  
Nothing to lose

It's our moment to shine  
Let's have a good time  
Baby  
I don't want no more lies  
Stop crossing the line  
Let's try one more time  
One more time  
One more time  
One more time
