Worship Rise

Travis Greene

Let our worship rise tonight, God
We'll pour our love on You
Break open our box
Give You everything
From here to there
Worship is filling the atmosphere
Both now and then
Songs of Your love will never end
All day and night
As we bow down our praise will rise
Inside and out
All that I am will shout
Let my worship rise
Like a sweet perfume
I'll pour my love, my love
All over You
From here to there
Worship is filling the atmosphere
Both now and then
Songs of Your love will never end
All day and night
As we bow down our praise will rise
Inside and out
All that I am will shout
Let my worship rise
Like a sweet perfume
I'll pour my love, my love
All over You
Let my worship rise
Like a sweet perfume
I'll pour my love, my love
All over You
All over You
All over You
All over You
Come on
Go ahead and start offering your worship now
From your heart to there
Oh- ooh

Oh, oh-oh-ooh
Oh-oh-ooh, oh
Oh, oh-oh-ooh
Oh-oh-ooh, oh
Even now, come on
Oh, oh-oh-ooh
Oh-oh-ooh, oh
You're worthy now
Oh, oh-oh-ooh
Come on, tell Him
Forever...
Forever
Worship will rise
Now forever
Be glorified
Forever
Worship will rise
Now forever
Be glorified
Oh-oh-ooh, oh
Oh, oh-oh-ooh
Oh-oh-ooh, oh
Oh, oh-oh-ooh
Oh-oh-ooh, oh
Oh, oh-oh-ooh
Oh-oh-ooh, oh
Oh, oh-oh-ooh
Let my worship rise
Like a sweet perfume
I'll pour my love, my love
All over You
Let my worship rise
Like a sweet perfume
I'll pour my love, my love
All over You
All over You
All over You
All over You
I'll pour my love, my love
All over You
I'll pour my love, my love
All over You
I'll pour my love, my love
All over You
God sings over us tonight

And He says
I'll pour my love... my love
All over you
May feel alone
But watch me, watch me, watch me
Pour my love
I'll pour my love, my love
All over you
Open up and let me in now
I'll pour my love, my love
All over you
Open the windows of heaven now
I'll pour my... love, my love Like a river
All over you The well that never dries
I'll pour my... love, my love
All over you
I'll fill every void, every void (every void)
I'll fill every void (every void)
I'll pour my love (my love)
I'll pour my love (all over you)
I'll pour my love (all over you)
I'll pour my love
I'll pour my love
I gave you everything, yeah
And I'll pour my love
You were there with me all night long
Were there with me all night long
I'll pour my love...
