

# The Night Before Christmas

## Alabama

Ribbons and paper cover the floor, it's been a great Christmas with presents

Galore

Everyone's happy and I'm happy, too

Oh, what a night, oh, what a night, night before Christmas I had with you  
Frost on the window, snow on the ground, holiday spirit, holiday sounds

Everyone's thankful and I'm thankful, too

Oh, what a night, oh, what a night, night before Christmas I had with you  
It all started underneath that mistletoe when we were waiting up just to help

Ole Santa Claus

We were making merry in ways we'd never thought of when we heard those sleigh

Bells and ole Santa almost caught us  
We didn't take no pictures, but I still remember one very special

Twenty-fourth day of December

Oh, what a night, oh, what a night, night before Christmas I had with you  
It all started underneath that mistletoe while we were waiting up to help ole

Santa clause

We were making merry in ways we'd never thought of when we heard those sleigh

Bells and ole Santa almost caught us  
If we don't do this next year, honey, I'm sure gonna miss it

Why don't we make it a new yuletide tradition

Oh, what a night, oh, what a night, night before Christmas I had with you

Oh, what a night, oh, what a night, night before Christmas I had with you
