Tell Me Why

The Mavericks

I heard you say to me
There were no guarantees
And that the world could make you cryAnd when you let me go
Lord, I still wanna know
Tell me why
Tell me why
(Why)Maybe it's destiny
Maybe it's just for me
Tell me why
Oh, whyDarlin', you let me go
But I still wanna know
Tell me why
Tell me why
(Why)
Oh, won't you tell me whyDarlin', you let me go
Lord, I still wanna know
Tell me why
Tell me why
(Why)
Oh, won't you tell me whyMaybe it's destiny
Maybe it's just for me
Tell me why
Oh, why
