Lost In Love

Temperance

(H. Der Hovagimian, J. Gicho)
I'm lost in love and I can't get out
Won't someone tell me what it's all about
Lift me up and set me free, I'm lost in love
I find a way to let you know that deep in your heart you hold the key
Hard as I tfeel you can
Say that you'll lend a helping hand, don't you know...
I'm lost in love and I can't get out
Won't someone tell me what it's all about
Lift me up and set me free, I'm lost in love
I'm lost in love
This feeling I have inside of me is almost more than I can bare
Open my eyes and make me see, won't you help me please
Take me and shake me and make me understand
Show me the way like I feel you can
Say that you'll lend a helping hand, don't you know ('cause I'm)...
I'm lost in love and I can't get out
Won't someone tell me what it's all about
Lift me up and set me free, I'm lost in love
I'm lost in love
