Air

Jaicko

Yeahhh...
Oooh.. Ooh.. Oooo..
Detail..Haaaoow.[Verse 1]
Right there where you are,
can't stop looking at you,
you look so good to me.
And i don't have to lie to ya,
you be on your toosh,
you are my fantasy.
Lovely as you are,
your such a star,
the sky can't shut you down.
The fact your all over me,
i just can't let you leave,
Ooo baby you take me higher, higher, higher..[Chorus]
You don't have to look around, you don't need to put your head down
just look up, up in the sky, yea
Cause girl you know you got me,
you knock me right off my feet,
and show me, how to fly..
In the air, in the air, in the air, in the air, in the air,
girl you know you put me.
In the air, in the air, in the air, in the air, in the air,
i'm waiting for you in the air.[verse 2]
Damn it don't matter,
day or the weather
girl i want you right here.
You take me higher,
my sweet freakin flyer,
baby do you want my.....
Whatever you want,
baby i got it,
just tell me baby i will be right there for you.
Not that it matters,
oh that your my letter,
to the sky,
my sweet letter too.[Chorus][Hook]
Know you,
find a sweeter sky

facing into the clouds
as they fade and away
but you know i'm here to stay
when you need it i got it
i promise girl you don't have to looook, oooh.[Chorus]in the air, in the air.
girl i'm waiting for you in the aiiir.
oooh, i'm waiting for you in the air.
ooh ooh ooooh, oooyea.
