Loke

D'Banj

Lyrics: Grutle Kjellson 1994
Laughter echoes through the night
the Evening Star shines over Midgard
Evil mingles in the dark
the organized cosmos' enemy comes forth
Loke, the son of Frbaute.. Father of
Lies
Born of earth, unbound by laws
Takk weeps no heavy tears
for the loss of the sun's handsome son
But the mare in the woods submits
for the regaining of Foster brother's
favour
Loke, the son of Frbaute.. Father of
Lies
Born of earth, unbound by laws
The salmon glides in the waterfall
The Eagle sails with wind
Hammer groans in Jotun scull
The underground spurts fire
Laughter, deceit, beauty and contempt
The Old Norse God's protector and leader
of Jotuns
Music: Ivar Bjrnson 1994
