Release All Light

de la Mancha

Start a phase to pray.
Not tomorrow not today
Save yourself
Nothing more.
put up fences and pull them down.Didn't loose your head when you went down.
Everything was nothing,
But the world will still go round.
So listen to the words my best friend
take your time, take my time
How good is my heart?
Now how good is my heart.
Will i ever
Will i ever
Will i ever be so good?We cast ourselves in fire.
We built again, again.
So we know
So we know,
Now, we know.
Because how sad is my love.
Now how real is our love.
Will i ever
will we ever
be sooo good.
