Natural Man

Harlem Shakes

Be like I have said
I said it clearly
They mess it up instead
I mean it reallyI am a god
No one understands, yeah
I am the one, I am the one
The natural man I am, yeah, yeahFools and idiots
Just when I want
Friends when I see it
Just when I wantI am a god
No one understands
I am the one, I am the one
The natural man I am, yeah, yeahI'm perfect that's for sure
I stand in a class all by myself
I amI am a god
No one understands
I am the one, I am the one
Im the natural man
I am, yeah, yeah
