

Tonight, I Celebrate My Love

Peabo Bryson & Roberta Flack

Tonight, I celebrate my love for you
It seems the natural thing to do
Tonight, no one's gonna find us
We'll leave the world behind us
When I make love to you
Tonight, I celebrate my love for you
And hope, that deep inside you'll feel it too
Tonight, our spirits will be climbing
To a sky lit up with diamonds
When I make love to you, tonight
Tonight, I celebrate my love for you
And that midnight sun is gonna come shining through
Tonight, there'll be no distance between us
What I want most to do is to get close to you, tonight
Tonight, I celebrate my love for you
And soon, this old world will seem brand new
Tonight, we will both discover
How friends turn into lovers, when I make love to you
Tonight, I celebrate my love for you
And that midnight sun is gonna come shining through
Tonight, there'll be no distance between us
What I want most to do is to get close to you
Tonight, I celebrate my love for you
Tonight
