

# The Evil That Men Do (single version)

## After Forever

Love is a razor and I walked the line on that silver blade  
Slept in the dust with his daughter, her eyes red with  
The slaughter of innocence  
But will pray for her I will call her name out loud  
I would bleed for her  
If only I could see her now Living on a razors edge  
Balancing on a ledge  
Living on a razors edge [Repeat: x4]  
The evil that men do lives on and on...
