Arrows Of Agony

Heathen

Black as the night, furious fight
Arrows are piercing the sky
Sharps as the blade, the cut has been made
Agony coming my wayDemon eyes are watching me
Preying on my pain and misery
Spreading hate, they plant the seeds
Deception is their only way to feedArrow of agony falling
Pierces my flesh 'til I bleed
This is the enemy haunting me
With arrows of agonyChilled to the bone, drifting alone
This nightmare is haunting my soul
Peace I must find to ease my mind
Something to regain controlDemon eyes are watching me
Preying on my pain and misery
Spreading hate, they plant the seeds
Deception is their only way to feedArrow of agony falling
Pierces my flesh 'til I bleed
This is the enemy haunting me
With arrows of agonyLost, lost inside my pain,
Time, to wash away the stain
Scars, still the scars remain
Agony is haunting me, draining the last drop of my sanityLost, lost inside my pain,
Time, to wash away the stain
Scars, still the scars remain
Arrows are falling as agony as agony pierces my soulBlack as the night, furious fight
Arrows are piercing the sky
Sharp as the blade, the cut has been made
Agony coming my wayDemon eyes are watching me
Preying on my pain and misery
Spreading hate, they plant the seeds
Deception is their only way to feedArrow of agony falling
Pierces my flesh 'til I bleed
This is the enemy haunting me
With arrows of agony
