

Run to You

Whitney Houston

I know that when you look at me
There's so much that you just don't see
 But if you would only take the time
I know in my heart you'd findOh a girl who's scared sometimes
 Who isn't always strong
 Can't you see the hurt in me?
I feel so all aloneI wanna run to you, I wanna run to you
Won't you hold me in your arms and keep me safe from harm?
 I wanna run to you but if I come to you
Tell me, will you stay or will you run awayEach day, each day I play the role
 Of someone always in control
 But at night I come home and turn the key
There's nobody there, no one cares for meOh what's the sense
 Of trying hard to find your dreams
 Without someone to share it with
Tell me what does it mean?I wanna run to you, I wanna run to you
Won't you hold me in your arms and keep me safe from harm?
 I wanna run to you but if I come to you
Tell me, will you stay or will you run away, run away, noI need you here
 I need you here to wipe away my tears
 To kiss away my fears, no
If you only knew how muchI wanna run to you and I wanna run to you
 Oh won't you hold me in your arms and keep me safe from harm?
 I wanna run to you but if I come to you
Tell me, will you stay or will you run away
