# Trouble

## [Coldplay](#)

Oh no I see
A spider web it's tangled up with me
And I lost my head
The thought of all the stupid things I said
Oh no what's this
A spider web and I'm caught in the middle
So I turned to run
The thought of all the stupid things I've doneAnd oh I never meant to cause you trouble
And oh and I never meant to do you wrong
And oh well if I ever caused you trouble
Oh no I never meant to do you harmOh no I see
A spider web and it's me in the middle
So I twist and turn
Here am I in my little bubbleSinging out
Oh I never meant to cause you trouble
Oh I never meant to do you wrong
Oh well if I ever caused you trouble
Oh no I never meant to do you harmThey spun a web for me
They spun a web for me
They spun a web for me
