Feelings

London Grammar

Living in hindsight, I fought along, she said
Like an old maid with troubles hanging in her head
You've been flying like a bird with no wings
But you stay afloat like a bubble without stringsPeople keep on taking the ground from your feet
You are the only one playing hide and seek
Forever you go on, you're stealing my ideas
And this old maid, she won't wipe away my tearsAnd when you go you save my soul
Tell my boy I love him so
And when you stay you save my soul
And you can tell my boy that I love him soWith all my feeling
With all my feeling
With all my feeling
With all my feelingAnd I will take over
What is the worst thing that could happen?
You've been carving like a hand with no knife
Trying to mend all the trouble and strifePeople keep on taking the ground from your feet
You are the only one playing hide and seek
Forever you go on, you're stealing my ideas
And this old maid, she won't wipe away my tearsAnd when you go you save my soul
Tell my boy I love him so
And when you stay you save my soul
And you can tell my boy that I love him soAnd when you stay you save my soul
And you can tell my boy that I love him so
And when you stay you save my soul
And you can tell my boy that I love him soWith all my feeling
With all my feeling
With all my feeling
With all my feeling
