

# Oblivion

## Bastille

When you fall asleep  
With your head  
Upon my shoulder  
When you're in my arms  
But you've gone somewhere deeper  
Are you going to age with grace?  
Are you going to age without mistakes  
Are you going to age with grace?  
Or only to wake and hide your face  
Well, oh, oblivion  
Is calling out your name  
You always take it further  
Than I ever can  
When you play it harder  
And I try to follow you there  
It's not about control  
But I turn back when I see where you go  
Are you going to age with grace?  
Are you going to leave a path to trace?  
But, oblivion  
Is calling out your name  
You always take it further  
Than I ever can  
When oblivion  
Is calling out your name  
You always take it further  
Than I ever can
