I Go To Sleep

Sia

When I look up from my pillow
I dream you are there with me
Though you are far away
I know you'll always be near to meI go to sleep, sleep
And imagine that you're there with me
I go to sleep, sleep
And imagine that you're there with meI look around me
And feel you are ever so close to me
Each tear that flows from my eye
Brings back memories of you to meI go to sleep, sleep
And imagine that you're there with meI go to sleep, sleep
And imagine that you're there with meI was wrong, I will cry
I will love you till the day I die
You were all, you alone and no one else
You were meant for meWhen morning comes again
I have the loneliness you left me
Each day drags by
Until finally my time descends on meI go to sleep, sleep
And imagine that you're there with me
I go to sleep, sleep
And imagine that you're there with me
