

Atlantis (feat. Kaiydo)

Bridgit Mendler

Bridgit Mendler:
Deep underwater
Is where I left my love
Clean at the surface
Shallow to touch
Nothing left
He's a wreck
Buried deep in the sand
Now I don't
Feel a thing
When I'm holding his hand
And I'm asking myself
Will I shi-shi-shi-shi-shiver again Oh I know how to feel I know that
That love exists
But it's asleep with the fishes
Down in Atlantis
Oh my Lord, where's my soul
How did we end up like this?
Fast asleep with the fishes
Down in Atlantis Dig a little deeper
Baby hold your breath
Seat at the counter
Just give it a chance
Every bro
In the building
With his back to the wall
Not for me
Be discreet
I should try not to yawn
I shut em down
Shut em down
Like a sniper on call Kaiydo:
Oh and I know often we lose sight of hope,
I know that you don't falter often when you do you grow,
I know that life can have you lost as if yo compass,
Ship adrift as at sea oh me just tryna be your rope
And ion think you know the rest of it,
Everyday is Friday so yo calendar irrelevant,
Photo bombing planets,

Never planned to take a better pic,
Knocking on Atlantis doors I'm surprised they let us in
Ok I can see you working on yo patients,
Working on yo nerves I need a better occupation,
You just say the word and then we right back to the basics,
When you out here balling guess you bound to catch a flagrant,
I'm just tryna wild out out with the fam,
And we came from the bottom I don't think you understand,
House up in the sky I guess that always was the plan,
And you was flying wit me I think I forgot to land
