# Hit the Plane Down

## Pavement

I'm up on a hill top where I
Keep you in sight, my little toys
I buried you because the sun
Will melt themGot you up my sleeve
Got you up my sleeve
Got you up my sleeve
Got you up my sleeveHit the plane down
Hit the plane down
Hit the plane down
Taking overTaking over your life
I'm taking over your scene
Ya, ya, ya, ya
I would hope to see the face
I would hope you see her faceHit the plane down
Hit the plane down
Hit the plane down
(Taking over)
There's no survivors
There's no survivorsDon't even snow
(We're not that disturbed)
Don't even snowHit the plane down
Hit the plane down
Hit the plane down
(Taking over)
There's no survivors
There's no survivorsTaking over your life
Taking over your life
I'm taking over the scene
I'm taking everythingAll I wanted it all
My little trick
I wouldn't mind just a milligram
Up my sleeveI've got you up my sleeve
I've got you up my sleeve
I've got you up my sleeveHit the plane down
Hit the plane down
Hit the plane down
There's no survivorsTaking over your life
Taking over your life
I'm taking over the scene

I'm taking everything
I'm taking everythingI've got to melt it
I've got to melt it
I've got to melt it
I, IHit the plane down
Hit the plane down
There's no survivors
There is no survivors
