## **Hit the Plane Down**

## **Pavement**

I'm up on a hill top where I Keep you in sight, my little toys I buried you because the sun Will melt themGot you up my sleeve Got you up my sleeve Got you up my sleeve Got you up my sleeveHit the plane down Hit the plane down Hit the plane down Taking over Taking over your life I'm taking over your scene Ya, ya, ya, ya I would hope to see the face I would hope you see her faceHit the plane down Hit the plane down Hit the plane down (Taking over) There's no survivors There's no survivorsDon't even snow (We're not that disturbed) Don't even snowHit the plane down Hit the plane down Hit the plane down (Taking over) There's no survivors There's no survivorsTaking over your life Taking over your life I'm taking over the scene I'm taking everythingAll I wanted it all My little trick I wouldn't mind just a milligram Up my sleeveI've got you up my sleeve I've got you up my sleeve I've got you up my sleeveHit the plane down Hit the plane down Hit the plane down There's no survivorsTaking over your life Taking over your life

I'm taking over the scene

I'm taking everything
I'm taking everythingI've got to melt it
I've got to melt it
I've got to melt it
I, IHit the plane down
Hit the plane down
There's no survivors
There is no survivors
