

So Good

Elvin Bishop

I used to sit on my bed n worry in the dark hours of the nite
I used to sit on my bed n worry in the dark hours of the nite.
I needed someone to comfort me n tell meâ€¦everything's gonna be alright

I used to moan n I'd cry ..every niteâ€¦. about bedtime
I used to moan n i'd cry ..every nite ..about bedtime..ohh ohh
Every woman's got her man and Iâ€¦wonder
whereâ€¦is ..mine

Oh ohh now i got you..oh yeah..and i don't have to worry no more..oh no
Ohh no..now i got you .oh yeah..and i don't have to worry no more
I've found someone to comfort me and he drove that trouble away from my doorâ€¦my door..my doorâ€¦my door

(intrumental break n hits)

Come on (come on) Come on (come on) come on n do it
rock me real strong n put yer soul into it
It's so Good (so good) it's so good (so good so good) Oh Yes it is
It's so Good (so good) it's so doggone good (so good good) â€¦
(vamps out w/ vocals) O yeah..yeah ..yeah ..yeahh â€¦its so .good...
