Nothing Touches Me

Ajimal

They don't
Build em like they used to
They don't
Make em quite like me
I've been
A creature of mistakes
But it takes
Life to learn my fate

But nothing touches me
Nothing touches me
Nothing touches me

I was
The first and only
I am
Totally new
And I will not
Die a useless dog
And I will not
Fall victim to age

Cos nothing touches me
Nothing touches me
Nothing touches me

Cos I am invincible
Surely unbreakable
And I am invincible
I am surely unbreakable

I am invincible
I am surely unbreakable
I am invincible
Surely unbreakable
I am invincible
Nothing touches me
Nothing touches me
Nothing touches me
