

Walk The Way The Wind Blows

[Kathy Mattea](#)

(Tim O'Brien)

All those untold stories

 All those silent lies

We'll never know each other

Keepin' them deep inside (let's)

 Wash away the troubles

 Keepin' us apart

Tell those untold stories

 Let the healin' start

 It's been so long ago

We went our separate ways

Now maybe time has changed us

 And worn the hurt away

 You look the same as ever

I'm glad you're here with me

 Take a look into my eyes

 And tell me what you see

 All those untold stories

 All those silent lies

We'll never know each other

Keepin' them deep inside (let's)

 Wash away the troubles

 Keepin' us apart

Tell those untold stories

 Let the healin' start

Now, I don't want forgiveness

Honey, I don't need you now

We've built a wall between us

 It's time to tear it down

 Let's plant a tree together

 Maybe we can make it grow

 If not now then maybe never

We might not ever know (about)

 All those untold stories

 All those silent lies

We'll never know each other

Keepin' them deep inside (let's)

 Wash away the troubles

 Keepin' us apart

Tell those untold stories

Let the healin' start
