

# Snuff

## Slipknot

Bury all your secrets in my skin  
Come away with innocence, and leave me with my sins  
The air around me still feels like a cage  
And love is just a camouflage for what resembles rage again  
So if you love me, let me go.  
And run away before I know.  
My heart is just too dark to care.  
I can't destroy what isn't there.  
Deliver me into my fate, if I'm alone I cannot hate  
I don't deserve to have you  
My smile was taken long ago, if I can change I hope I never know  
I still press your letters to my lips  
And cherish them in parts of me that savor every kiss  
I couldn't face a life without your light  
But all of that was ripped apart, when you refused to fight  
So save your breath, I will not care.  
I think I made it very clear.  
You couldn't hate enough to love.  
Is that supposed to be enough?  
I only wish you weren't my friend.  
Then I could hurt you in the end.  
I never claimed to be a saint  
My own was banished long ago, it took the death of hope to let you go
