

# You're The One (LP Version)

**Fanny**

Ooh baby, I can make you come to me  
Ooh baby, I can make you run  
I'm cold as ice and hot as the sun  
I can hypnotize  
And ooh, you're the one Ooh baby, I can make you follow me  
Ooh baby, I can make you come  
I'm cold as ice and hot as the sun  
See it in your eyes  
'Cause ooh, you're the one I don't want to play your game  
So let's get right down to it  
I mean every word i say  
I just need a chance to prove it  
Ooh Ooh baby, won't you give your love to me  
Ooh baby, you make me run  
Now the time is right and I've just begun  
Need you every night, 'cause ooh  
You're the one  
You're the one
