

# YouTopia (feat. Adam Young)

## Armin van Buuren

I can feel you in the raising tide  
Can you feel me by the fire side  
From the moonlight  
Through the cherry trees  
Open the roof and take in the view  
'Cause you're my sweetest dream  
Come true  
Colour the dusk, deep navy blue  
And try to be brave  
Cause I'll be right beside you  
There's a world so high  
Hold out your hands  
And you can go anywhere  
So reach for the stars  
'Cause I'll be waiting up there  
And you can finally fly  
Cause you'll be lighter than air  
Colour the dusk, deep navy blue  
And try to be brave  
'Cause I'll be right beside you  
There's a world so high  
Hold out your hands  
And you can go anywhere  
So reach for the stars  
'Cause I'll be waiting up there  
And you can finally fly  
'Cause you'll be lighter than air
