

I Believe I Can Fly

[Bianca Ryan](#)

I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
By leaning on the everlasting arms If I can see it then I can do it
If I just believe it there's nothing to it I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly See I was on the verge of breaking down
Sometimes the silence can seem so loud
There are miracles in life I must achieve
But first it's got to start inside of me If I can see it then I can do it
If I just believe it there's nothing to it I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away I believe that I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly
'Cause I believe in me If I can see it then I can do it
If I just believe it there's nothing to it I believe I can fly
I believe I can touch the sky
Think about it every night and day
Spread my wings and fly away I believe I can soar
See me running through that open door
I can fly, I can fly, I can fly
I can fly, I can fly
