Anchorman II

Something for Kate

Through the narrow parade
I imagine I see your face everywhere
Your face
Like a diagram
Count yourself lucky then you'll leave as fast as you can...As fast as you can
As fast as you can
As fast as you can
Did you hear the news?Your voice
Moves through me like bells
And I can't stop listening, listening
Shut up
Before you undo everything
When the heros are all tried to the tracks
I know you will save me...Save me
Save me
Did you hear the news?Did you hear the news?
Did you hear the anchorman screaming from thbe other room?Now who will save me
Save me
Save me
